

A Digital Printing Company

JollyMedia is capable of wrapping a vehicle or any size, and no matter the type of vehicle we will wrap it for you as per your needs.

Are you looking for acrylic makeup boxes? Or acrylic organizers? Jollymedia does all types of Acrylic works you require.

We offer complete custom printed pop-up stand solutions incorporating vivid graphics suitable for your business. All our pop-up stands come with fixable frames and focus lights.

Our high-quality roll-up banners are ideal for increasing brand visibility and catching customer's eyes. Printed Roll-up banners are perfect for exhibitions, conferences, promotional events.

Want your memories to turn into work of art? You can easily do it with a canvas print in Dubai from JollyMedia!

Our large format printing services are printed with care ensuring the quality of the print!

Mall Branding

Mall branding in UAE is one of the most common ways to draw attention to your brand. A great way to make your brand noticeable at the mall!

We specialize in making wooden or acrylic product display stands of any size and shape up to our client's needs.

Jollymedia is one of the best exhibitions stand service providers in the UAE. We are experienced in making exhibition stands, such as expo stands and branding them.

flag printing is for our clients who want to see their design replicated on fabric instead of on paper. We combine our high-end machines with our skilled manpower to give you the best outcome!

Danglers are eye-catching a perfect way to catch your customers' eye. Danglers come in multiple shapes and designs and they are a great way to convey simple messages.

Canvas Printing

Want your memories to turn into work of art? You can easily do it with a canvas print in Dubai from JollyMedia.

Our large format printing machines ensure the quality is not compromised in large scale prints. Hence, we use the finest cotton blend for our canvases.

Canvas printing in Dubai has gotten popular over the years because of some advantages like you can install them in semi-humid environments such as bathroom and canvases don't exhibit any glare.

Multi Panel Canvas

Why have 1 canvas when you can have multiple different canvases! Fully personalised canvas made from your photos and text!

Single Panel Canvas

The most common type of canvas, available in all sizes! These canvases are fully customisable using your photos, text and ideas!

Danglers

Danglers are eye-catching a perfect way to catch your customers' eye. Danglers come in multiple shapes and designs and they are a great way to convey simple messages.

If you are looking for customized danglers, Jollymedia specializes in danglers and we ensure to provide you with high-quality service each time. Our custom printed danglers guarantee to give you maximum visibility in a minimum place
