

## Best Insurance Plans for Nris, Financial Consultants in UAE

NRI Money Clinic is an initiative by Dr. Chandrakantha Bhat, who is a practicing investment consultant and a financial planner.

Dr. Bhat has been a rank student all throughout his studies. He is a Life Underwriters Training Council Fellow (LUTCF) from American College, an Award from Chartered Insurance Institute (CII) London and has a Certificate in Management Development Program from IIM Indore. He started his professional career in the year 1984 as a Veterinary Doctor (B.V.Sc) and later on specialized into all aspects of financial planning.

From 1984 to 1992 he worked as Asst. Manager with KMF (Karnataka Milk Federation). During this tenure, he was in the forefront of organizing Milk Co-Operative Societies all over Karnataka.

In the year 1991, he was chosen by Rotary District 3180 as an outstanding youngster of the year and was sent on a Group Study Exchange programme to Australia for a period of three months. In the year

## **Wealth Creation:**

If not taken care, over time your savings will go through erosion in purchasing power due to rise in costs. We help you build wealth by making your savings grow by beating inflation and saving on your incidental taxes.

## **Education Planning:**

Give your children the education they deserve. Give them the liberty to make a choice without worrying about the fees. In your journey of seeing your child graduate through a premier University, we join hands with you to set up saving plans which will help you to fund the cost of education.

## **Retirement Planning:**

Your retirement years could be as long as your work life. Unless you plan early your golden years may just remain a dream for you. There can't be thought more fearful than you outliving your money. We help you to carve out a meticulous retirement plan. Let your golden years remain truly golden.

## **Regular Income:**

Be it your days in between hopping the jobs, or your retirement years or creating that second income, we have many options available for you to create a regular income. The regular income plans we create for you come with tax exemptions and your cash flows could potentially rise as inflation picks up. Let inflation never worry you with our regular income planning.
